2011 COMMUNITY GRANTS PROGRAM

Rotary is a service organization of business and professional leaders united worldwide who provide humanitarian service, encourage high ethical standards in all vocations and help build peace in the world. Rotary is dedicated to promoting truth, enhancing good will and friendships, and being beneficial and fair to all concerned. Nearly 1.2 million men and women belong to over 31,000 Rotary clubs in over 160 countries. Membership is by invitation and reflects a cross section of community representation. The Rotary Club of Estes Park with 150 members is dedicated to improving life in the Estes Valley.

The Rotary Club of Estes Park Foundation, in partnership with the club itself, invites proposals from charitable organizations in the Estes Valley for grant support. It is anticipated that these proposals will support programs and projects that “help foster the general well-being of our community ...” advancing the principles and purposes of Rotary.

Enclosed is an explanation of the general criteria and guidelines for Estes Park Rotary Foundation community grant funding. This information and the application can also be downloaded from the Estes Park Rotary Club website.

Organizations must be tax exempt or a charitable non-profit organization. The deadline for receipt of completed applications is December 31, 2011. Faxed or e-mailed applications will not be accepted.

We look forward to considering all applications. Unfortunately, our limited resources dictate that not all worthy requests will receive support. If you have any questions, please contact me at 970-577-1423.

Sincerely,

Marsha Yelick
