Today's Program

JOURNEY TO ETHIOPIA

Kelly Mortellite is a physical therapist at Mountaintop Physical Therapy. She loves treating the pediatric population but also enjoys serving the Estes Park population through rehabilitation status-post orthopedic surgery and neurological trauma. She provides therapy treatments in the clinic, in the home environment, in the Park R3 School District and through Colorado Early Intervention. She has published research and presented at national conferences on various physical therapy topics and interventions. Kelly graduated from Duke University with her Doctorate in Physical Therapy.

Kelly had the opportunity to merge two of her passions, international humanitarian aid and physical therapy, and embarked on a two month volunteer trip to Ethiopia. She was involved in providing physical therapy treatment in the government orphanages, as well as completing various other projects in Addis Ababa. She will discuss the current economical situation of Ethiopia, her experiences and involvement with the local orphan crisis and plans for future projects.

Meeting Highlights

May 20th by Ray Leaycraft

The meeting was called to order by **President Jay**. Jay reported on the death of long-time club member **George Hix**. George was a Past President of the club, 1967-68, and had 50 years of perfect attendance. The invocation was given by **Nancy Hause** who reported this would be her last meeting as she's moving to Kansas. Nancy's been a member of the club for three years and is the widow of Club Past President **Rich Hause** (editor's note – we will miss Nancy very much, she's a good friend, very active club member and has written numerous newspaper articles regarding club activities. Nancy, we hope you'll return to visit.) Song and Pledge leader was **Dick Broman**. Dick led us in "The Good Old Summertime" in hopes that summer will arrive this year. **Dennis McHenry** introduced visiting Rotarians and guests of Rotarians and noted that in his 25 years as a member of the club, this was his first time to introduce guests.

Our only visiting Rotarian was **Clyde Fincher**, Clyde is 103 years old, a Rotarian since 1941 (that's almost **70** years a Rotarian!) and has been coming to Estes Park since 1948. Guests of Rotarians included: **Johanna Hocker**, wife of **Jim Hocker**, **Tom & Kathy Hornbein**, guests of **Karen McClure** and **Elizabeth Huibregtse**, guest of **Rick Life**.

Jay gave the schedule of upcoming committee meetings and noted that **Gary Hazelton** would be taking "candid" photos of the meeting today. **DG Dave Scriven** requested photos of the club to be used at the June District Conference in Casper, WY.

Happy Money included: **Gary Coy** for his daughter's new job as a K-12 choir and band teacher in Nebraska; **Jay** for **Daffney's** dress rehearsal at the YMCA and for her Saturday & Sunday performance at the Y. Jay said he was also honored to have been able to present our scholarship awards to the high school students last night. A total of \$33,500 in Rotary scholarship money was awarded. **Jim Hocker** was happy not to be on oxygen; he and Johanna are leaving for Minnesota but will be back to Estes Park in August. **Mimi Hardendorf** was also at the scholarship presentations and advised that over \$200,000 in scholarships were awarded to our high school seniors. **Bruce Carmichael** reported that **Kurt Wiebel** received an award for his contributions to the EPHS Athletic

Department. **Ron Kuhns** was also proud of our Rotary scholarship awards and noted that 17 students received Rotary scholarships. Wayne Newson was happy and proud regarding his granddaughter, Scott Thompson's daughter, graduating from CSU.

Mal Walker reminded us of the memorial service for **George Hix** to be held on Tuesday, May 25th, 2:00 PM at Community Church of the Rockies. **Ned Linegar** gave a prayer and asked for a moment of silence in remembrance of George.

Announcements included: **Dale Hatcher** spoke of the upcoming Scholarship Benefit Golf Tournament being held on Friday, June 18th. We are in need of players and sponsors; please help with this event. Dale also reported on the "new event" at the golf tournament, the Golf Ball Drop. Tickets for this raffle are \$10 per ticket and the winner can win a cash prize of up to \$2,000. Earl Matson reminded everyone of the Boulder Dinner Theater event on Wednesday, June 16th. **Don Widrig** had a jacket that someone left at the Lake Shore Lodge GSE dinner. If you've lost your jacket, please see Don. **Bob Brunson** said the Farmers Market will begin again on Thursday, June 3rd. Signups for parking lot help will be at the back of the meeting room each week. **Rick Life** reported that our new incoming Youth Exchange student for the 2010/2011 school year is **Maira Rodrigues** from Brazil. Two host families are in place but we still need one more host family. Miara is a horse aficionado and we'd like to find a host family that has horses if at all possible. We also need a club member to be a "counselor" (preferably female) for Miara during her year in Estes Park.

No one with a May wedding anniversary brought their spouse (shame, shame) so there was no winner of the gift certificate to the Dunraven. The raffle winner was **Jacquie Halburnt**, she won \$30 and promptly purchased \$30 worth of Golf Ball Drop raffle tickets with her winnings. Thank you Jacquie!
